

# send - one thing

## HATS AND MITTENS DRIVE

While we have been blessed with a warmer December, colder weather is just around the corner! This month, **The Well will be collecting hats and mittens for various organizations around the community.** The Rosemount Police Department provides these items to the schools as needed, and to children who enter foster care. Another organization called [hats&mittens](#) also provides these items to the Twin Cities and surrounding communities. See below for residential and business drop-offs. Items can also be dropped off at the church in the tote outside the front main entrance. Contact Tammy Brollier at [tbrollier@thewellmn.church](mailto:tbrollier@thewellmn.church) with any questions.

**RESIDENTIAL DROP OFFS** - Leave bags of hats and mittens at the location, no need to call in advance.

### Apple Valley
